Le maten, Chaz mai/84 L. First thing I called  
Douglas Building Supplier and arranged for  
shipment of the plaster weld that we  
need for 302; also called Mrs. Fick. RGT

called to report that the arched windows for the 3rd floor of CCITC  
will be ready on Friday or Saturday. Excellent. I will attend  
the Chamber of Commerce meeting on Wednesday and ask  
for their help in the Steamtown telephone pledge drive.  
RGT will pick me up here at 11:30 AM tomorrow.

Frank Grecco Jr.  
banded me  
this after the  
Council meeting  
her son. She  
did not return  
my 10:50 AM  
call and as I  
called again at  
2 PM. She will call  
me on Friday morning  
and we will set  
something up. She  
mentioned that I  
was a friend of  
Frank Grecco's.

Plaster weld - \$15.50/gallon

- SRP call at 10:30 AM on 1/10/84;  
4 gallons will be shipped on 1/10/84  
or 1/11/84. Excellent. It will  
be sent by UPS.

2:30-4:30 PM - a rather high velocity trip into town; stopped at the  
News and dropped off the Thacher & Bury Confectionery Store  
article; also made some xerox copies on the News copy  
machine of my "post office" battle letters, in preparation  
for a letter to Mellow & McDade and the papers. From  
there to the Post office & then to Kamen's where I bought  
some glazing supplies (I will do some windows at CCITC
